

# CARLBECK CENTRE SUMMER 2018

## PLEASE DON'T SAY GOODBYE!

As you may have heard, a change in European law comes into effect on 25th May - GDPR.

We have always been very careful to safeguard your personal email details and our procedures will change very little however, you must opt in to confirm that we can continue to hold your email address and contact you. How to opt in: new subscribers should simply ask to join by contacting Margaret Dent (see below) with your details. Existing subscribers will have already received a request from us regarding this; if you haven't replied but still wish to opt in, please do so now by simply clicking the reply button to the email. There is no need

to add text if you're in a hurry.

The deadline is 25th May after which, if you haven't opted in, we won't be able to contact you or hold your details.

We have updated our policy to comply with the new regulations:

Your details will be kept securely and used only to communicate directly and anonymously with you about Carlbeck matters and very occasionally other items that we deem may be of interest to you. You may unsubscribe by simply mailing the secretary to say so and your details will be removed from our database.

## SPECIAL OFFER

If you would like to know more about the various self help craft groups hosted at Carlbeck we have an offer for you - well two actually!

Take a look at the list of groups printed overleaf and choose the one which appeals most. Contact the leader of the group, printed next to the session details and they will arrange for you to attend a session, free of charge.

If you are tempted by more than one group but can't decide which would suit you best, take advantage of our BOGOF offer - pay for one visit and get a free visit to a second group. In this case contact Margaret Dent on 01833 640 763 and she will organise your visits.

There's no formality in joining any of our craft groups and again we offer you two choices in the way you pay: each session costs £2 (£4 per day), payable at the group. Alternatively you can pay for a year's sessions in advance at £75, which works out at less than £1.45 per session. Please see article overleaf for details of how to join the annual scheme.

So why not take advantage of our generosity and pop along to visit our craft group sessions. You will be made very welcome whichever one (or two) you choose.

Please note that this offer excludes Pilates classes which must be booked and paid for separately. See reverse for details.

## NEWS

### Trauma Teddies

A Facebook prompt led to this good cause of Trauma Teddies for Northumbria Police being highlighted. Emergency Services keep a supply of small soft toys to give solace and distraction to young patients and victims. The call for comforters was answered by Carlbeck volunteers and almost 60 knitted and crocheted teddies, bunnies, ducks and cats have been produced by our crafters and their friends.

## GROUP FEATURE Calico Gardens Workshop

Earlier this year we held our second Calico Gardens Workshop, which was yet again sold out with more than 16 people attending over the two days. This is one of our most popular workshops and Angie Burt is a great tutor who inspires the group with her skill and enthusiasm. Our crafters have very high standards, not only in their needlework, but also

the quality and variety of the buffet lunches which the attendees bring along to share.

Another workshop is planned for early August this year. However, this too is already fully booked. If you would like to attend one of these workshops in the future please contact June Dent on 01833 640 573 to get your name onto the waiting list.

## Subscriptions

The Management Committee is happy to announce that subscriptions for users of self help groups will be held at the same price for the third year running. We invite everyone to renew their subscription and welcome all new subscribers.

An annual subscription of £75 is payable from 1st June 2018, compared to our usual charge of £2 per single session, £4 per day. This represents very good value to our regular users at less than £1.45 per week. Those who are away for frequent periods would still be in pocket for up to 12 weeks 'holiday' based on one visit per week and it is easier than remembering to bring the right change to each session.

The £75 subscription gives access to all in-house craft sessions and self help workshops (not Pilates) and can be paid by cash, cheque made payable to 'The Carlbeck School- Lunedale Community Association or by bank transfer using the following bank details: Account Number 30041408 Sort Code 20-25-29 . Please remember to add "subscription" in the reference field and your name, if different from that of the account, so the Treasurer can identify who has paid.
