

CARLBECK CENTRE Summer 2022

WELCOME BACK

By the time this newsletter is published two of our eagerly awaited workshops will have gone ahead. The tapestry weaving and bra making are set to be regular favourites. Since New Year, the monthly knitting and crochet guild have got their teeth into toy making and the Craft Exhibition in June will have a woodland animals' picnic display of some of their furry friends.

Recent events

A two day calico garden workshop took place in March. It was well attended and a thoroughly enjoyable event. The pieces made were as varied as the participants, reflecting their skills and tastes and Angie, as usual, brought an amazing and inspirational number of her original designs. The next workshops are 16-17th July and 1st-2nd October. For details please contact June Dent on 01833 640573

During May we ran a four day block of craft events. The first was two days of Tapestry Weaving with tutor Louise Martin. This was a very enjoyable session with levels of enthusiasm running high. Information about further workshops from Wendy Robinson on 01833 650 474.

Then Helen Finnimore stepped in to run one of her very popular bra-making workshops which, as usual, attracted a loyal and passionate group of ladies eager to learn the basics and improve their skills.

Subscriptions

Throughout 2020 and 2021 subscriptions and session fees have been suspended. We feel it is now time to re-instate them and from 1 June we ask that for regular workshops everyone pays £2 per half day session. Alternatively, as before, an annual subscription of £75 will allow you to take part in as many sessions as you wish. Please note that workshops with outside tutors may be charged separately; their organisers will be able to tell you more.

Charitable donations

There are two ways you can raise money for Carlbeck without it costing you a penny! Simply do what we all love doing - go shopping on-line and every purchase earns Carlbeck a percentage of your spend. All you need to do is register your chosen charity and the websites do the rest.
